SECRETARY MESSAGE
ASSOCIATION MERGER

Waste Management Stickers are available for purchase at the Clubhouse for $5.04 per sticker.
Happy February Everyone,

I wanted to reach out to you all with a little more information from our January Board Meeting. This month we had Jessica Ryan from Kovitz, Shifrin & Nesbit Law, our HOA attorney, come explain more in depth about the merging needed of our two associations (Summerlakes Homeowners Association and Summerlakes Improvement Association) along with why we need to get it done. We have formed a committee of volunteers who are gathering more information and will be visiting door to door to answer any questions and have ballots available for you to sign. We also talked about the new stairs at our entry way, new railings that will need to be installed, and starting to decide on what we would like to see happen where the top landing has a drop off. We are looking into making an ADA approved ramp from the annex building to the main entrance of the Clubhouse. We have a list of items from our Architectural committee that we will be evaluating and accomplishing over time in a voted order of urgency. We also needed to fill one last spot on our Board, as existing member Samantha Zygiel moved out of Summerlakes. We voted Chris Drong (also our maintenance man for the HOA) onto the Board as a Director as he was the next in line vote wise from our November election. There has been some desire from homeowners to allow the work out facility to be accessible 24 hours a day with no staff to monitor use. We are starting the formation of a committee to review this request from all angles and will report to the board as a whole in the near future. As you can see we do have a lot going on as a HOA Board and I encourage you to come attend a meeting yourself as they are absolutely open to the public. The meetings are held on the 2nd Thursday of the month at 7pm (major holiday months may alter this). Next month we hope to have Mike Butkovich from Just in Time Pools come to the meeting and give the Board a heads up on what maintenance and repairs need to happen before the opening of the pool season.

Thank you,

Gail Smith
Summerlakes HOA Board Secretary

ASSOCIATION MERGER

Homeowners! Make it easier when your house is sold to process the paperwork. Presently our community consists of two associations, the Summerlakes Homeowners Association and the Summerlakes Improvement Association. Researching this on your title can slow up the paperwork process when selling your house and possibly cost you more money. About 2 years ago every homeowner was sent information and a ballot to vote for merging the two associations into one. Only some two hundred homeowners responded out of 926. Seventy five percent of resident voting is required for the approval to merge. There are ballots available at the Clubhouse office. Anyone who has not voted needs to stop in and do so. Our legal council has stated “A legal merger of the two associations is in our best interest to insure that a second association does not appear as an encumbrance on your title search if you wish to sell your home.” This merger will not cost anything or affect your assessments in any way. Please help out all homeowners and get your vote in now!

Thank you,

Jim Dawe, Lot 878, Concerned Resident
HOLIDAY LIGHTS

Don’t forget! All exterior decorative holiday lighting and yard decorations must be removed from homes by March 1, 2020. For more information refer to the Summerlakes Bylaws or the City Code Enforcement Officer at 630393-9050.
When selling your home, it is critical to partner with a real estate professional that has a proven track record and holds themselves accountable to a very high standard.

These numbers depict not only the trajectory of my business, but the expertise, dedication and commitment that you will receive.

Your property will be sold quickly, with the least amount of hassle, and for top dollar. So give me a call. Hopefully you’ll see, my numbers speak for themselves.

92%  
My homes are marketed better than 92% of the market!

96%  
Out performed 96% of the market in advertising and online views!

17Yrs.  
I have lived in this community for 17 years. I know the area, the people, and how to get you the most out of your home.

No Street Parking After 2” Snowfall

City Code 5-3-9 states: No vehicle shall be parked on any street, roadway, or roadway shoulder: 1) for a period of twenty four (24) hours after the accumulation of two inches (2”) or more of snow; or 2) until the street or roadway has been cleared of snow.

The Police Department assists the Street Division during any snowfall event that produces two inches of snow or more by enforcing the City's parking ban on streets. The City Code is in place to keep the streets clear for snowplows to efficiently and safely remove snow from curb to curb. While the Police Department does not have control over when snowfall will be removed from City streets, it is empowered to ticket and tow vehicles parked in violation. Towing of vehicles is predicated on various factors, which include the length of time the vehicle was illegally parked and the type of hazard it presents.

Property owners are encouraged to remove the snow and ice from the sidewalk in front of their homes to accommodate pedestrians.

During the winter months please help firefighters by keeping the fire hydrants free clear of snow and ice.

WANTED - SNOW SHOVELERS

We get continual calls from residents looking for help with shoveling their driveways. If anyone is interested in helping out with shoveling, please call the Clubhouse office and leave your name and contact information. We will get a list started of available shovelers to pass along. Thank You.

SIDEWALK SNOW REMOVAL

Property owners are encouraged to remove snow and ice from the sidewalk in front of their homes as a neighborly gesture. There are numerous areas throughout the City where the sidewalk is located in front of common property where there are no homes. In these instances, the City encourages the property owners adjacent to these sections of sidewalk to remove the snow and ice.
Motions of Board of Director’s Meeting  
January 9, 2020
