DIRECTOR’S MESSAGE

Greetings!

As a Director on the SHA Board, I feel I should address some concerns that were brought to my attention recently.

There have been many phone calls and emails in regard to the tall, uncut grass in our common areas. I would like to assure everyone that we are doing everything we can to keep the grass cut and maintained, however we aren’t able to cut as much as we’d like due to the extreme weather we have been having. If we tried cutting, we would only cause further damage to the grass and our equipment.

We’ve also had numerous complaints regarding our removal of the trash cans throughout Summerlakes property. Those are being replaced with smaller receptacles dedicated to dog waste. The larger cans were removed because residents were destroying them and using them for their personal trash from their houses. We hope that this will solve the vandalism issue with the cans.

Thank you,

Christopher Drong

ARCHITECTURAL REQUEST FORMS

IT’S BUILDING SEASON! BEFORE doing any exterior alteration or modification to your home, fence, or other structure (including, but not limited to, color changes, siding, roofing), an architectural request form must be filled out and approved in writing by the Summerlakes Board of Directors and/or our Architectural Committee. Failure to comply with these rules may result in fines. The architectural request form can be found on the website www.shainfo.com, or can be picked up at the Clubhouse during regular business hours. The Architectural Committee meets monthly to review any requests that are turned in, and will do their best to expedite the approval process so you can begin your home project within your desired time frame. Not following this procedure may result in delaying your project plans. Guidelines for exterior maintenance changes can be found in Article XIV, sections 14.01 through 14.06 of the Summerlakes Homeowner Association Bylaws, also located on the SHA website under ‘operations’. Please call the office if you have any questions. 630-393-3033. Homeowners are also reminded by the City to obtain permits for certain interior remodeling and building projects, including electrical and plumbing/sewer work, roofs, fences, driveways, decks, patios, sheds, swimming pools, and lawn sprinkler systems to name a few. Please contact the Community Development Department at 630-393-9050 for additional information.

PROPERTY UP-KEEP

It is brought to the Board’s attention on a daily basis that several homeowners are not keeping up with property maintenance (broken fences, trim painting, yard upkeep, roofing, trash accumulation, etc.). These problems are unsightly and bring down the appearance (and property values) of the entire neighborhood. They are also violations of the SHA rules, as well as City Code, and could result in fines.

In response to these complaints, notices are being sent out pointing out these violations of SHA maintenance rules. Please note that trash bins must be stored in garages or corralled within a fence to prevent loose trash from blowing into neighbor’s yards or common properties. Avoid possible fines and please take a few minutes to check your property and address any issues before they become bigger problems. Take pride in your home!

REMINDER!

When paying your assessments please remember to put your lot # on your check. We want to be sure your payment gets processed correctly. Also, please do not staple or tape your payment to the coupons when sending it in or dropping it in the drop box.

Thank You!

Real Estate Fun Facts

From 1908 - 1940, Sears sold over 70,000 mail-order houses. They arrived as a kit and came with most modern conveniences (some of them still exist today.)

Sears Homes still exist around our community.

Thanks D.A.A.R.E. for getting me a Great Price for My Home!
