Happy March Everyone,

At our Board meeting in February we had Mike from Just in Time Pools (our outside pool company) come and give us a lengthy discussion/presentation about our Hot Tub, Kiddie Pool, and Pool. So far we seem to be on track for opening on time. He will be here in early spring to start opening the pool, fill it up and get the filters up and running smoothly. When talking about how to start the process of getting a whole new pool in a couple of years he suggested that we need to begin that process sooner than later, as it will take time with the new laws, permits, and processes needed to keep up to code for a publicly used pool. As with any remodel of anything around the house you need to make sure it’s done up to the current code. He talked to us about what the new pool siding could be made of, how long it will last, the pros and cons of changing the pool depth; all things we as a Board need to decide on as we move forward. We are hiring an outside landscaping company this year, so expect to see them floating around starting in April (weather pending). We have chosen to get stainless steel railings put up for our new stairs to the Clubhouse. Legally they will be where the temporary ones are and not in the middle of the staircase. We are going to build a couple more benches for along the top of the stairway by the Clubhouse front door and secure those into the concrete and remove the plywood barrier. We still have a lot to talk about and decide on and would love to see you at our next Board meeting with your input. The meetings are open to all residents of Summerlakes, so come on by.

Sincerely,

Gail Smith, Secretary
Summerlakes Board of Directors

ASSOCIATION MERGER

Homeowners! Make it easier when your house is sold to process the paperwork. Presently our community consists of two associations, the Summerlakes Homeowners Association and the Summerlakes Improvement Association. Researching this on your title can slow up the paperwork process when selling your house and possibly cost you more money. About 2 years ago every homeowner was sent information and a ballot to vote for merging the two associations into one. Only some two hundred homeowners responded out of 926. Seventy five percent of resident voting is required for the approval to merge. There are ballots available at the Clubhouse office. Anyone who has not voted needs to stop in and do so. Our legal council has stated “A legal merger of the two associations is in our best interest to insure that a second association does not appear as an encumbrance on your title search if you wish to sell your home.” This merger will not cost anything or affect your assessments in any way. Please help out all homeowners and get your vote in now!

Thank you,

Jim Dawe, Lot 878, Concerned Resident

CITY BRUSH PICK-UP BEGINS IN APRIL

Free brush pick-up for this year begins in April. Summerlakes falls within Zones 1* & 2*.

Zone 1 - First Monday of April, May, September, & October *(North of Batavia Road)
Zone 2 - Second Monday of April, May, September, & October *(South of Batavia Road)

Please keep in mind that although brush is required to be set out by 7:00 a.m. on the designated Monday, pickup may occur on a day later in that week.

Brush piles must comply with the following guidelines:

- One pile per address
- Pile cannot be greater than 3 feet in height, 8 feet in depth, and 15 feet in length
- Branches cannot be longer than 8 feet in length and no more than 8 inches in diameter
- Branches must be placed with the larger cut end toward the street

Brush piles that do not conform to these standards will not be picked up and a notice will be left on the front door. Call the City Public Works Department at 630.393.9050 for more information.
