ATTENTION RESIDENTS!

Shaw Drive, along with any other street or common area in Summerlakes is not a designated trash drop off! There is always a lot of debris left along Shaw Drive; televisions, toys, car seats, not to mention the usual trash such as cans, bottles, food bags, etc. Littering is a crime! Please take pride in your community and dispose of your trash in the appropriate fashion-don’t leave it on the streets!

Trash cans are located at various parks and common areas for neighborhood walk by pick-up; however they are NOT to be used for your personal garbage disposal.

Thank you for your cooperation!
ARCHITECTURAL REQUEST FORMS

IT’S BUILDING SEASON! BEFORE doing any exterior alteration or modification to your home, fence, or other structure (including, but not limited to, color changes, siding, roofing), an architectural request form must be filled out and approved in writing by the Summerlakes Board of Directors and/or our Architectural Committee. Failure to comply with these rules may result in fines. The architectural request form can be found on the website www.shainfo.com, or can be picked up at the Clubhouse during regular business hours. The Architectural Committee meets monthly to review any requests that are turned in, and will do their best to expedite the approval process so you can begin your home project within your desired time frame. Not following this procedure may result in delaying your project plans. Guidelines for exterior maintenance changes can be found in Article XIV, sections 14.01 through 14.06 of the Summerlakes Homeowner Association Bylaws, also located on the SHA website under ‘operations’. Please call the office if you have any questions. 630-393-3033. Homeowners are also reminded by the City to obtain permits for certain interior remodeling and building projects, including electrical and plumbing/sewer work, roofs, fences, driveways, decks, patios, sheds, swimming pools, and lawn sprinkler systems to name a few. Please contact the Community Development Department at 630-393-9050 for additional information.

PROPERTY UP-KEEP

It is being brought to our attention that several homeowners are not keeping up with property maintenance (broken fences, trim painting, yard upkeep, roofing, etc). In response to these complaints, notices are being sent out pointing out these violations of SHA maintenance rules. Avoid possible fines and please take a few minutes to check your property and address any issues before they become bigger problems. Take pride in your home!
