**GUIDELINES FOR SAFE HOLIDAY GATHERINGS**

Residents are encouraged to follow the Center for Disease Control (CDC) guidelines for healthy and safe holiday gatherings. Many traditional indoor holiday activities can pose a higher risk for spreading the virus that causes COVID-19. Before you celebrate, refer to the CDC website for a list of low, moderate, and high risk activities for gatherings and other fall and winter holiday celebrations at www.cdc.gov/ coronavirus/2019-ncov/daily-life-coping/holidays.html. Remember, during any celebration, wear a mask around people who do not live in your household, wash or sanitize hands frequently, limit contact with shared items and surfaces, and follow CDC guidelines for keeping safe around food and drinks. Updates to these regulations can be found on the IL Department of Health website, www.dph.illinois.gov/covid19, the City’s Coronavirus webpage, www.warrenville.il.us/761/ Coronavirus2019-Updates, and on the City’s Facebook page, www.facebook.com/ CityofWarrenville/.

LANDSCAPE & YARD WASTE COLLECTION ENDS NOVEMBER 30th

Leaves and grass cuttings must be contained in either a 30-gallon biodegradable paper bag or a standard 30-gallon garbage container. Containers must clearly display a YARD WASTE ONLY decal, which can be obtained from City Hall. Remember, all containers and bags require refuse/yardwaste stickers.

No garbage or yard waste collection services will take place on November 28th, Thanksgiving Day. The regularly scheduled pickup will be delayed by one day.

Please do not put your refuse/yard waste containers out on the curb any earlier than 24 hours prior to your scheduled pickup day.

BURNING LEAVES IS A VIOLATION OF CITY CODE

It is a violation of the City’s Open Burning Ordinance to burn leaves. Burning leaves releases smoke and irritants into the atmosphere, which can cause respiratory problems and other health issues, and makes it difficult for neighbors to equally enjoy being outdoors in the fall. Instead of burning leaves, be a good neighbor and consider: Shredding leaves with a mulching lawn mower; leaves will quickly decompose and nourish lawns and gardens next spring or Raking leaves onto garden beds to protect wintering plants and nourish soil. Never blow or rake leaves into the street as they can inhibit the flow of stormwater into the storm drains, which can result in local flooding and unnecessarily increase pollutants in the local streams and the DuPage River. If recycling and composting leaves on your property is not feasible, for a fee, residents may take leaves to Midwest Compost, LLC, 1195 W. Washington Street, West Chicago, midwestcompostllc.com/yardwaste-disposal-dumping/. See the County website, www.dupageco.org/swm/ for more information and additional resources.

Happy Thanksgiving

The Office will be CLOSED on November 26th and 27th for the holiday. The Staff and Board of Directors would like to wish our SHA families and friends a safe & wonderful Thanksgiving holiday!
