State your reason(s) for running for the Board of Directors:

I moved in my current house in Summerlakes at the beginning of October 1996. I have lived here 25 years. I was forcibly retired from United Airlines 2 days before my 65th birthday, April 2018. This is an FAA Rule for large Airline Operations. I currently Flight Instruct and pleasure fly. Most other free time is taken by various home projects, family considerations, and volunteer activities. When I moved to my home on Lakeview Drive, the Summerlakes Homeowners Association was in debt and poorly run. Starting about 10 years ago, I became a member of the Summerlakes Architectural Committee. I became aware of the state of the Association, and assisted where I could to improve efficiencies, improve value for money spent, and keep Association fees low. My contributions have been incremental, but valuable, and ultimately successful. Reserves are now fully funded, and long term plans and associated expenses are also funded. Part of this is selfish: I want homeowner dues to remain low. Summerlakes dues are a full \$100/month less than many other Warrenville Homeowner Associations. My wife and I intend to live here for a long time to come. It is our best interest to do what is also best for Summerlakes. I believe strongly in value for money spent, and carefully considered decisions.

I hereby certify that I am the owner of record and the only candidate running from the unit listed.
