Please provide a brief list of qualifications including education and experience:

I have a Bachelor of Science degree with major in mathematics and minor in both physics and business. I have held position of Board Treasurer, Board President and Board Director several time between 1991 and 2023.

State your reason(s) for running for the Board of Directors:

Around 2010 it was determined that a number of things needed to be repaired, enhanced, or replaced. By good financial planning, as board member, we were able to complete some large projects.

- 1) Halt erosion of bank of club house lake, such that lake did merge with pool
- 2) Replace all roofing to eliminate leaking.
- 3) Replace all playsets in both Cynthia and Continental Park with ADA access.
- 4) Install soccer goal at both Cynthia and Continental park. Built a disc golf course, and corn hole court.
- 5) Repair leaking hot tub and refurnish spa room
- 6) Replace aging parking lot.
- 7) Replace deteriorating entrance steps, and install a sidewalk that allow not step entry to main building.

The board is in the process of replacing the pool. I feel as a board member that I can be helpful in insuring this project is complete as planned, and within budget.

I hereby certify that I am the owner of record and the only candidate running from the unit 424.

Summerlakes provides considerable amenities for dues of \$42/month. We are a least \$100/month less than other associations with similar amenities. Many Board Members before me have used their head and common sense and not thrown money at problems. I will continue that process. I live here. I am retired. I regularly use the exercise equipment at the clubhouse. I have a vested interest in keeping all my expenses low. I will continue to use common sense to resolve otherwise expensive problems To that end, I have contributed my time and expertise to: *Assisting in upgrading the IT system of the office. *Engineered and acquired all parts to switch from cable to Over the Air TV, saving about \$250/month. *Assisted of TV Antenna project. *Assisted in numerous small projects and Association events.

I ask for your vote.

I hereby certify that I am the owner of record and the only candidate running from the unit listed.
